

The Unifiller **Mini Depositor** is the modern solution for your dough depositing and extruding needs. It is built to do a wide range of products such as cookies, bars, stiff batters and pie dough. The feed auger is specially designed to be gentle on your product.

Benefits:

- **Easy to Clean** (only 4 parts)
- Portion control
- Cuts through inclusions – **BIG CHUNKS!**
- Produce up to 5400 deposits per hour
- Versatile - handles stiff batters that contain particulates (nuts, chocolate chunks, raisins or flavored chips)
- No heat transfer – no smearing and gentle on dough due to our single pitch auger drive
- Capable of sheeting up to 8" wide and 1" thick

Features:

- User friendly and easy to use control panel – pre program up to 20 recipes
- Rotary cutoff valve with various sizes of dies insets available
- Hopper capacity – 35 lbs / 15.5 kg
- Variable speed conveyor
- Stainless steel mobile "C" frame
- Photo sensor and foot pedal deposit switch
- Optional sheeting nozzle available
- Tool Free

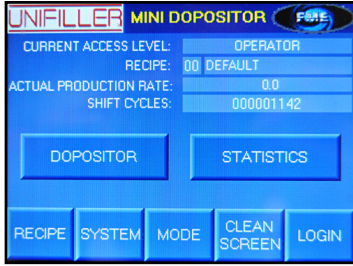

Suggested Products:

- Gourmet Cookies
- Pie Dough
- Tart Dough
- Short Crust Pastry sheeting
- Scones (round)
- Biscuit (round)
- Marzipan
- Biscotti
- Fudge Brownie Batter
- Gluten Free Dough
