

COMPACT ACCESSORIES

Over 100 Attachments available for the Compact Depositor

Hand Depositing Nozzle

Touch the trigger once for a single portion, or hold for multiple deposits. Fits right or left hand.

Balancer for Hand Nozzle

For "weightless" hand nozzle operation. Features adjustable tension control. (Power Lift version only.)

Hand Nozzle Spreader Attachment

The spreader quickly attaches to the hand nozzle outlet for spreading smooth products. Available in widths of 2" - 4" (51mm-100mm). Optional comb available.

Fixed Rotary Cut Off Nozzle

Precision cut off and portion control with your choice of a 7/8" or a 1 3/8" opening for depositing a wide variety of products.

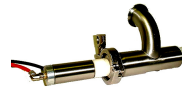

Hand Nozzle Injection Tip Attachment

A quick and easy way to fill donuts and pastries with accurate portion control. Available in 1/4" and 3/8" diameter.

Hand Nozzle "Y" Split Adapter Attachment

Twin outlet accessory for depositing Danish fillings and more.

PC Nozzle

The PC (positive cut-off) nozzle is available with 7/8" or a 1 3/8" opening for depositing a wide variety of products.

Drip Free Nozzle

Our drip-free nozzles ensure clean cut-off when depositing more fluid products - available in 3 sizes (3/4", 1", 1 1/2")

Twin Injector Nozzle

The easiest way to fill donuts, pastries, and more! Available in 1/4" and 3/8" diameter. Two lengths: 2.5" & 5.5"

Cylindrical Hopper (w/ nut)

10 US gallon (37.8 liters) hopper (for heavy or thick products) Follower Plate (on right). Food grade nitrile plate assists in depositing thicker products with cylindrical hopper

Heated Hopper

Conical Electric heated hopper is designed to keep products warm while depositing.

Conical Hopper

Great for quick change over! All-purpose 14 US gallon (53 liters) hopper for flow able products. N/A for Table Top Version.

Hopper Stopper

To seal the hopper outlet in the event that it must be removed from the machine while full.

Ergonomic Foot Pedal Kit

Press once for single portion or hold for multiple deposits. Complete w/ ergonomic bracket.

Optical Photo Sensor

Senses moving pans on a conveyor for automatic depositing. Allows you to keep your hopper filled to one level resulting in improved portion control

Deluxe Spares Kit

Eliminate downtime by having spare parts on-hand. Everything you need to keep on working after accidental damage.

Cleaning Brush Kit

A complete set of brushes for faster cleaning of all parts and accessories.
